## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### Report on

### Alumni Meet on 01/09/2024

The Department of CSE organized an Alumni Meet for the 2019-2023 batch on 1st September 2024. The event was conducted post-convocation to provide a platform for the alumni to reconnect with the institution, share their professional experiences, and reflect on their learning journey.

Around **18 alumni** from the 2019-2023 batch actively participated in the meet. The alumni, now professionals in various fields, shared their career experiences, offering insights into how their education and training at the college contributed to their current positions. Among the notable attendees were:

- **Mr. Vishwa Venkatesh**
- **Ms. Akshaya**
- **Ms. Santhini Devi**
- **Mr. Vasanth**
- **Mr. Manikandan**
- **Mr. Sivasankar**
- **Ms. Monika**
- **Ms. Sneha**
- **Ms. Kiruthiga**
- **Mr. Ramaprabakaran**
- **Mr. Gokulakrishnan**
- **Mr. Gopinath**
- **Mr. Sathish**
- **Mr. Tamilselvan**
- **Ms. Samyuktha**

The alumni shared their experiences on the following key aspects:

- **Training and Learning Experience:** Alumni reflected on how the technical and soft skills training they received during their academic years had prepared them for real-world challenges. Many highlighted the importance of hands-on projects, industry-oriented seminars, and internships facilitated by the department.
- **Present Career Positions:** The alumni discussed their current job roles and industries, offering valuable insights to the current students and faculty. They shared

their journey over the last one and a half years, talking about their growth, challenges faced, and how they overcame those using the foundational knowledge gained during their course.

For example:

- **Mr. Vishwa Venkatesh** is now working as Trident Solutions, and emphasized the importance of continuous learning in the rapidly changing industry.
- **Ms. Akshaya** spoke about her experience in Infosys, highlighting the importance of communication skills in her job.
- **Mr. Manikandan** and **Mr. Sivasankar** elaborated on their roles in the technical domain, sharing insights on how the coursework and training helped them adapt to their professional roles.
- **Advice for Current Students:** The alumni encouraged current students to focus on acquiring both technical and interpersonal skills. They also recommended taking advantage of every opportunity, including internships and certifications, to stay competitive in the job market.

The alumni appreciated the opportunity to return to their alma mater and reconnect with their peers and faculty. They also provided feedback on how the college could further enhance the learning experience for current and future students, suggesting updates in curriculum, exposure to emerging technologies, and continued support through alumni networking events.

The Alumni Meet was a resounding success, fostering a sense of community and pride among the alumni and current students. The department looks forward to conducting more such events to maintain a strong connection with its alumni, which will, in turn, benefit both the institution and the students.
