DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Report on Seminar on

'Enabling Technology & Methodologies for Social Media Network Analysis and Mining'

In the department of CSE, a captivating seminar on “**'Enabling Technology & Methodologies for Social Media Network Analysis and Mining'**” on conducted from 29/09/2023 for the students of III year CSE. The lecture was delivered by **Mr. M. VENGATESHWARAN**, an accomplished Assistant Professor in the Computer Science and Engineering (CSE) department at Sri Krishna College of Engineering and Technology (Autonomous), Coimbatore.

The event commenced at 11:00 AM with a warm Welcome Address by M. Harini, a distinguished student from the III year Computer Science and Engineering (CSE) department. Following the welcome, at 11:05 AM, HARI KARTHIK V, also from the III year CSE, presented an insightful Introduction to the Resource Person. The significance of the event was highlighted by honoring the esteemed Resource Persons, recognizing their valuable contributions to the field.

The seminar, was a highly informative and engaging session. Covering a spectrum of topics, including the current technological landscape, methodologies for effective data mining, and the applications of Social Media Network Analysis, the lecture provided a comprehensive understanding of the subject. Mr. Vengateshwaran's expertise and interactive approach facilitated a dynamic exchange of ideas, fostering active participation and thoughtful discussions among the attendees. The event successfully achieved its goal of imparting valuable knowledge and sparking interest in the evolving field of social media analysis.

Honoring the Resource Person
