Report on

'Alumni Interaction with First year Students'

An insightful Alumni Interaction session took place on **17/09/2023**, providing first-year Computer Science and Engineering (CSE) students with valuable perspectives from esteemed alumni. The session commenced with Mr. **V. Karthik**, a distinguished 2011 alumnus and Deputy Sales Tax Officer in Mayiladuthurai, sharing his experiences and emphasizing the importance of competitive exams such as TNPSC, UPSC Group I and Group 2 in career progression. Mr. Karthik's insights provided students with a broader understanding of diverse career paths and the role competitive exams play in professional growth.

Following Mr. Karthik's session, alumni Ms. **K. Sindhuja,** Associate Consultant, Infosys Technologies, Chennai (2019 batch) and Ms. **M.S Visali,** Technology Analyst, Infosys Technologies, Chennai (2019 batch) took the stage to share valuable suggestions with the first-year students. Their insights spanned crucial aspects of programming, industry expectations, and the placement landscape. The alumni offered practical advice on navigating the challenges of programming tasks, aligning skills with industry needs, and preparing for successful placements during their final year.

The interactive session allowed students to pose questions, fostering a dynamic exchange between the alumni and the eager first-year cohort. The alumni's diverse experiences and practical advice provided a holistic view of the evolving landscape in the field of Computer Science and Engineering. The event successfully bridged the gap between academic knowledge and real-world application, preparing first-year students for the exciting journey ahead. The Alumni Interaction proved to be a valuable platform for knowledge transfer and inspiration, setting a positive tone for the academic and professional pursuits of the CSE students.
