'Alumni Meet – Interaction with CSE'

On 16/12/2023, Alumni meet was conducted by the Alumni Co-ordinators. After the common meeting, an interactive session with students was held during the afternoon session. The alumni shared their professional journeys, offering insights into the diverse career paths within the field of computer science. Mr. **Arun Prasad S**, now a Member of Technical Staff at Sharp Software Development India, emphasized the importance of technical skills and adaptability in a corporate setting.

Ms. Archana and Mr. N. Sudharsan, both working in testing roles at Vetri Software, shared their experiences as testers and the evolving landscape of quality assurance in the software industry.

Ms. M.S Visali, currently a Technology Analyst in Chennai, shed light on the technological advancements shaping the industry and the significance of staying abreast of these changes.

Mr. S. Gokulakrishnan, a Software Developer at ZOHO, shared his insights into the dynamic and innovative culture at ZOHO and the skills that stand out in a development role.

Ms. R. Balambika, engaged in supporting mail services, provided a unique perspective on the importance of communication and support roles in the tech industry.

Mr. J. Sudharsan, a Senior Software Engineer at Infosys Technologies, shared experiences from his time at Infosys and highlighted the growth opportunities within large corporations.

Ms. **Archana,** Tester, Vetri Software

Mr. Arun Prasad S
