Report on the guest lecture program “DISASTER RISK REDUCTION DAY CELEBRATION”

Department of Civil Engineering organized a Guest lecture program on 16.10.2024. On this day **Mr. T.SRINIVASAN.,** Fire station officer, Fire and rescue services, Mayiladuthurai district acted as a resource person and delivered a lecture on “Disaster risk reduction day celebration”

It's a day to recognize how people and communities around the world are working to reduce their exposure to disasters. This day emphasizes the importance of proactive measures to analyze and decrease the factors that cause disasters, shifting the focus from post-disaster response to pre-disaster action. He discussed about on raising awareness about the importance of reducing disaster risks and promoting a global culture of risk awareness and disaster reduction. The day celebrates how communities are working to reduce their vulnerability to disasters and emphasizes the need for proactive measures to mitigate potential impacts.

He talked in length about the student's responsibilities towards evacuation safe drive during and after disaster happen.
