DEPARTMENT OF ARTIFICIAL AND DATA SCIENCE

PROGRAMME REPORT

The Department of Artificial Intelligence and Data Science, A.V.C. College of Engineering, organized an online guest lecture programme on “**Prompt Engineering – Advanced Tools and Techniques**” on **07-03-2026 (Saturday)** from **10.00 AM to 12.00 PM** through the **Google Meet online platform**. The session was delivered by **Dr. P. Durgadevi, Assistant Professor (Senior), SRM, Chennai**.

INVITATION POSTER

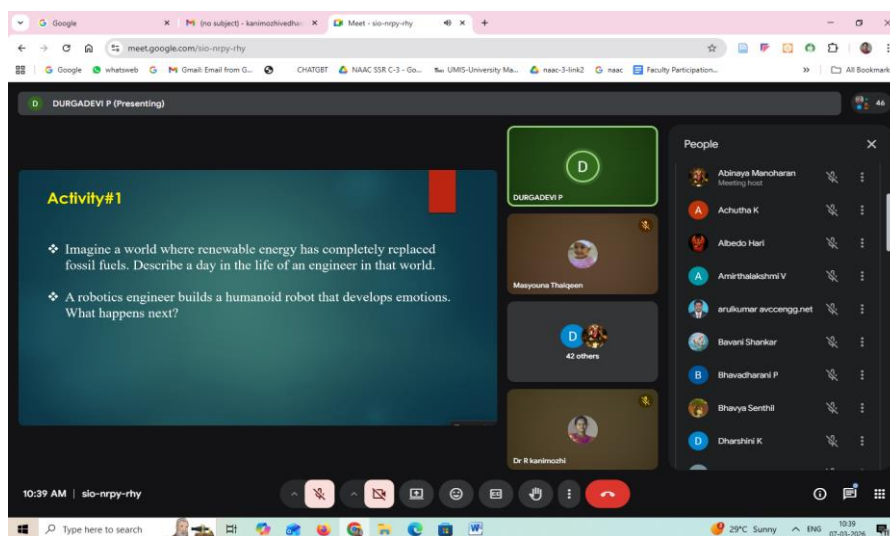

PROFILE

PROGRAMME: PROMPT ENGINEERING

The programme was conducted with the objective of creating awareness among students about the importance and applications of prompt engineering in the field of Artificial Intelligence. The resource person delivered an informative and interactive lecture on effective prompt writing techniques, advanced AI tools, and real-time applications of prompt engineering. The session helped students gain practical knowledge and a better understanding of emerging AI technologies.

Students actively participated throughout the programme and interacted enthusiastically during the session. The programme was conducted successfully with active participation from students and faculty members. The feedback received from the participants was highly positive, and the programme was found to be useful in enhancing the students' technical knowledge and professional skills in the domain of Artificial Intelligence.
