SEMINAR

From Degree to Career – Skills that Industry Demands

The A.V.C. College of Engineering successfully organized a seminar titled **“From Degree to Career: Skills that Industry Demands”** on **13th March 2026** at the **PEKAK HALL**.

The event was jointly conducted by the **Department of Instrumentation and Control Engineering** and the **Department of Artificial Intelligence and Data Science**, in association with the Industry Institute Interaction Cell (III Cell) and Institution's Innovation Council (IIC).

The seminar featured **Mr. K.A. Kannan**, a distinguished HR Trainer, Psychologist, Founder of CIS Services, and Corporate Trainer & Recruiter, as the resource person. During the session, he shared valuable insights into the current industry expectations, employability skills, and the transition from academic learning to professional careers.

Mr. Kannan emphasized the importance of:

- Communication and interpersonal skills
- Adaptability and continuous learning
- Problem-solving and critical thinking
- Industry-relevant technical knowledge
- Professional attitude and work ethics

The session was highly interactive, with students actively participating and clarifying their doubts regarding career paths, interview preparation, and workplace expectations.

The program was coordinated by **Dr. J. Sharmila Devi (AP-ICE)** and **Mrs. S. Silambarasi (AP-AI&DS)**. The Heads of Departments, **Dr. S. Vadivazhagi (ICE)** and **Dr. R. Kanimozhi (AI&DS)**, extended their support for the successful conduct of the event.

The event was conducted under the guidance of the Director **Dr. M. Senthilmurugan** and Principal **Dr. P. Balasubramanian**.

Overall, the seminar proved to be highly beneficial for students, equipping them with essential skills and awareness required to meet industry demands and build successful careers.
