Guest Lecture Report

The Department of Computer Science and Engineering organized a **Guest Lecture Programme on “Exploring AI Applications and DevOps in Modern Industries”** on 09 March 2026 (Monday) at 10:30 AM in the MBA Seminar Hall.

The programme began with a prayer by the students, creating a pleasant and respectful atmosphere. The **Welcome Address** was delivered by **Mrs. T. Keerthana, Assistant Professor**, who warmly welcomed the principal, the guest speaker, faculty members, and students.

The **Presidential Address** was given by **Dr. P. Balasubramanian, Principal**, who emphasized the importance of learning emerging technologies such as Artificial Intelligence and DevOps to meet modern industry demands. He encouraged students to enhance their technical skills and stay updated with current technological trends.

Following this, the dignitaries were honoured by the Principal as a mark of respect and appreciation.

The **Introduction of the Chief Guest** was presented by **Mr. M. Ashokvel, Assistant Professor**, who introduced Mr. R. Goutham, MCA, Senior Software Engineer at EMPOWER Pvt. Ltd., Bengaluru. He highlighted the chief guest’s academic background, professional achievements, and industry experience.

The **Chief Guest Address** was delivered by **Mr. R. Goutham**, who shared valuable insights on the applications of Artificial Intelligence and the role of DevOps in modern industries. He explained how AI technologies are transforming various sectors and discussed the importance of integrating development and operations through DevOps practices. He also demonstrated practical examples and shared career guidance for students interested in AI and software development fields. The session was highly informative and interactive, motivating students to explore new opportunities in emerging technologies.

Finally, the programme concluded with the **Vote of Thanks** delivered by **Mr. A. Arunpandiyan, Assistant Professor**, who expressed sincere gratitude to the chief guest for sharing his expertise, the principal for his encouragement, the faculty members for organizing the event, and the students for their active participation.

The programme ended with the National Anthem, marking the successful completion of the guest lecture.
